

A screenshot of a Tkinter window titled "tk". The window has a standard Mac OS-style title bar with a red close button, a yellow maximize button, and a green window button. Below the title bar, there are three text input fields. The first field is labeled "Nombre:", the second "Apellido:", and the third "Edad:". At the bottom of the window, there are two buttons: "Guardar" (Save) and "Cerrar" (Close). The window is outlined with a thick blue border.
